

CERTIFICATE

HFA - ENplus - 0010

According to Handbook for the Certification of Wood Pellets for Heating Purposes of the European Pellet Council dated April 2013 it is herewith confirmed that for the product

Wood Pellets for Heating Purposes Quality class A2

of the producer

Sisarka d.o.o.

Ulica 131, Brigade 12
HR-32270 Županja

ENplus - identification number HR 005

at the site

HR-32270 Županja, Ulica 131, Brigade 12

an initial inspection of the production was carried out and a continuous surveillance regarding the implementation of the requirements of the ENplus Handbook is performed.

With this certificate Zertifizierungsstelle der Österreichischen Gesellschaft für Holzforschung attests, that all the requirements of the

ENplus Handbook April 2013

are met and that the product meets quality class A2.

This certificate was first issued on 14.03.2014 and remains valid until 13.03.2017 as long as it is assured that the requirements of the ENplus Handbook are met which the obligatory yearly inspections confirm.
